

## **VAN LOVEREN ADDS SPARKLE TO DONALDSON CROSS COUNTRY CHAMPIONSHIP**

Van Loveren Wines have added a little sparkle to the podium ceremonies on Donaldson Cross Country Championship events this season.

Van Loveren supplies all the champagne for the traditional podium celebrations. Those who make it to the podium get to spray – and perhaps take a sip – of a premier bubbly from a premier Cape wine estate.

And, as a special gesture on Woman's Day on Saturday, the wives and girlfriends of all the winners at the Force Fuel 450 at Sun City, were presented with a bottle of Four Cousins Blush. The event was round five of the Donaldson series.

“The Donaldson Cross Country Championship is the premier series in South African Motorsport and we are delighted to have the support from an estate like Van Loveren,” said SANORA chief executive officer Richard Schilling. “We hope our competitors and wine lovers among the cross country fraternity take the opportunity to sample some of Van Loveren's other products.”

The next round of the Donaldson series sees cross country racing go back to its roots on the Vryburg 450, in North West, on September 12 and 13.
